██████████ is a consultant to OGC during the past fiscal year. During this period he reviewed the needs of OGC, OGI, OBO and OPC and materially assisted in the preparation of the proposal that a Photo Intelligence Division be authorized for OGC. He also determined that other photo interpretation agencies outside of CIA could not absorb its requirements. 25X1A5a1

██████████ services as a consultant are needed for the coming fiscal year to prepare a special staff study on the Use of Photographic Intelligence as Collateral Cover for Other CIA Intelligence Sources. This project will utilize some of the methodology already developed by ██████████ and will recommend the patterns of personnel utilization in an ideal sense as well as under the present T/O. In addition, ██████████ will propose a priority evaluation of this function of photo intelligence. 25X1A5a1 25X1A5a1
